'What do you mean "stop"?'
'Please stop. I want you to stop.'
'But we just got started - it was getting great! You can't want to stop now!'
'I've changed my mind, I don't want to.'
'You've been leading me on!'
'No I haven't!'
'You can't change your mind now!'
'I can, I just don't want to do it.'
'But it's not like it's the first time, we've done i before!'
'I know, I just don't want to now.
'What about me! You're not being fair!'
'I know, I'm sorry, but I really don't want to.'
